Independent Auditor's Report

Board of Directors
Colorado International Center
Metropolitan District No. 14
City and County of Denver, Colorado

Report on Financial Statements

We have audited the accompanying financial statements of the governmental activities and each major fund of Colorado International Center Metropolitan District No. 14 (District) as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of Colorado International Center Metropolitan District No. 14, as of December 31, 2020, and the respective changes in financial position and the respective budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis that governmental accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The supplementary information listed in the table of contents is presented for purposes of additional analysis and are not a required part of the financial statements.

The supplementary information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The other information and continuing disclosure annual financial information listed in the table of contents has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 1 DEFINITION OF REPORTING ENTITY

Colorado International Center Metropolitan District No. 14 (District), a quasi-municipal corporation and political subdivision of the state of Colorado, was organized by an order and decree of the District Court recorded in the City and County of Denver on June 26, 2006, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the City and County of Denver (City) on March 13, 2006. Concurrently with the formation of the District, the City approved the formation of Denver High Point at DIA Metropolitan District (the Management District) and Colorado International Center Metropolitan District No. 13 (together with the District, the Taxing Districts) (collectively, the Denver High Point Districts).

The District was established to provide the funding for improvements necessary for a portion of the High Point Development, consisting largely of water, sewer and storm drainage, parks and recreation, street, safety protection, transportation, mosquito control, fire protection and other permitted improvements and facilities within and outside of the District. The operation and maintenance of most District services and facilities are anticipated to be provided by the City and not by the District. The District expects to own, operate, and maintain certain park and recreation improvements within the District. Per the Service Plan, the District is not authorized to provide television relay and translation facilities unless provided pursuant to an intergovernmental agreement with the City.

The District follows the Governmental Accounting Standards Board (GASB) accounting pronouncements which provide guidance for determining which governmental activities, organizations and functions should be included within the financial reporting entity. GASB pronouncements set forth the financial accountability of a governmental organization's elected governing body as the basic criterion for including a possible component governmental organization in a primary government's legal entity. Financial accountability includes, but is not limited to, appointment of a voting majority of the organization's governing body, ability to impose its will on the organization, a potential for the organization to provide specific financial benefits or burdens and fiscal dependency.

The District is not financially accountable for any other organization nor is the District a component unit of any other primary governmental entity, including the City and any of the other Denver High Point Districts.

The District has no employees, and all administrative functions are contracted.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The more significant accounting policies of the District are described as follows:

Government-Wide and Fund Financial Statements

The government-wide financial statements include the statement of net position and the statement of activities. These financial statements include all the activities of the District. The effect of interfund activity has been removed from these statements. Governmental activities are normally supported by taxes and intergovernmental revenues.

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government-Wide and Fund Financial Statements (Continued)

The statement of net position reports all financial and capital resources of the District. The difference between the sum of assets and deferred outflows of resources and the sum of liabilities and deferred inflows of resources is reported as net position.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include: 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds. Major individual governmental funds are reported as separate columns in the fund financial statements.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the District considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. The major sources of revenue susceptible to accrual are property taxes and specific ownership taxes. All other revenue items are considered to be measurable and available only when cash is received by the District. Expenditures, other than interest on long-term obligations, are recorded when the liability is incurred or the long-term obligation due.

The District reports the following major governmental funds:

The General Fund is the District's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The Debt Service Fund accounts for the resources accumulated and payments made for principal and interest on long-term debt of the governmental funds.

The Capital Projects Fund - Regional is used to account for funds generated from the Regional Mill Levy and Regional Facility Fees.

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Pooled Cash and Investments

The District follows the practice of pooling cash and investments of all funds to maximize investment earnings. Except when required by trust or other agreements, all cash is deposited to and disbursed from a single bank account. Cash in excess of immediate operating requirements is pooled for deposit and investment flexibility. Investment earnings are allocated periodically to the participating funds based upon each fund's average equity balance in the total cash.

Budgets

In accordance with the State Budget Law, the District's Board of Directors holds public hearings in the fall each year to approve the budget and appropriate the funds for the ensuing year. The appropriation is at the total fund expenditures and other financing uses level and lapses at year end. The District's Board of Directors can modify the budget by line item within the total appropriation without notification. The appropriation can only be modified upon completion of notification and publication requirements. The budget includes each fund on its basis of accounting unless otherwise indicated.

Property Taxes

Property taxes are levied by the District Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April 30 or if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Property taxes, net of estimated uncollectible taxes, are recorded initially as deferred inflow of resources in the year they are levied and measurable. The unearned property tax revenues are recorded as revenue in the year they are available or collected.

Maintenance Fee

On October 28, 2015, each of the Taxing Districts and the Management District adopted Joint Resolutions Concerning the Imposition of a Maintenance Fee. These Joint Resolutions (as amended) superseded all other resolutions imposing Maintenance Fees.

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Maintenance Fee (Continued)

A monthly recurring maintenance fee is charged to each residential and commercial unit in the Taxing Districts for services provided in connection with the construction, operation, and maintenance of public facilities within the District, including but not limited to the operation and maintenance of park and recreational facilities, landscaping, and common areas. The maintenance fee may be adjusted from time to time. In 2020, the fees were \$26.50 for residential units without underdrains and \$27.50 for residential units with underdrains. The maintenance fees are to be billed, collected, and retained by the Management District. During 2020, there were no occupied residential units within the District. Therefore, no maintenance fee revenue has been reported.

The Districts are also authorized to charge a one-time maintenance fee payable upon the transfer of a residential or commercial unit by an End User at a rate established by the Districts from time to time. As of December 31, 2020, no rate for the one-time maintenance fees had been established.

Facilities Fee

On May 20, 2020, each of the Taxing Districts and the Management District adopted Amended and Restated Joint Resolutions Concerning the Imposition of Facilities Fee. These Amended and Restated Joint Resolutions superseded all other resolutions imposing Facilities Fees.

A facility fee of \$2,500 for each single-family residential unit, \$1,250 for each multi-family residential unit, and \$0.25 per square foot for each commercial unit is charged against properties within the District. The facility fee is due at the time of issuance of a building permit. The District records the facilities fee as revenue when received.

Regional Development Fee

On May 20, 2020, each of the Taxing Districts and the Management District adopted Amended and Restated Joint Resolutions Concerning the Imposition of Regional Development Fees. These Amended and Restated Joint Resolutions superseded all other resolutions imposing Regional Development Fees.

The Districts impose a Regional Development Fee on property within the Districts using a base amount of \$0.20 to \$0.50 per square foot of a Zone Lot, as adjusted by the Construction Cost Adjustment multiplier provided by the City. The fee is imposed to provide for the funding of certain Regional Improvements, per that certain City Intergovernmental Agreement dated September 2, 2008 (as amended) with the City. During 2020, the fees in effect ranged from \$0.41 to \$1.02.

Any unpaid fees constitute a statutory and perpetual lien against the property served.

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Deferred Inflows of Resources

In addition to liabilities, the statement of net position reports a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time. The District has one item that qualifies for reporting in this category. Accordingly, the item, *deferred property tax revenue*, is deferred and recognized as an inflow of resources in the period that the amount becomes available.

Equity

Net Position

For government-wide presentation purposes when both restricted and unrestricted resources are available for use, it is the District's practice to use restricted resources first, then unrestricted resources as they are needed.

Fund Balance

Fund balance for governmental funds is reported in classifications that comprise a hierarchy based on the extent to which the government is bound to honor constraints on the specific purposes for which spending can occur. Governmental funds report up to five classifications of fund balance: nonspendable, restricted, committed, assigned, and unassigned. Because circumstances differ among governments, not every government or every governmental fund will present all these components. The following classifications describe the relative strength of the spending constraints:

Nonspendable Fund Balance – The portion of fund balance that cannot be spent because it is either not in spendable form (such as prepaid amounts or inventory) or legally or contractually required to be maintained intact.

Restricted Fund Balance – The portion of fund balance that is constrained to being used for a specific purpose by external parties (such as bondholders), constitutional provisions, or enabling legislation.

Committed Fund Balance – The portion of fund balance that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority, the Board of Directors. The constraint may be removed or changed only through formal action of the Board of Directors.

Assigned Fund Balance – The portion of fund balance that is constrained by the government's intent to be used for specific purposes but is neither restricted nor committed. Intent is expressed by the Board of Directors to be used for a specific purpose. Constraints imposed on the use of assigned amounts are more easily removed or modified than those imposed on amounts that are classified as committed.

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Equity (Continued)

Fund Balance (Continued)

Unassigned Fund Balance – The residual portion of fund balance that does not meet any of the criteria described above.

If more than one classification of fund balance is available for use when an expenditure is incurred, it is the District's practice to use the most restrictive classification first.

NOTE 3 CASH AND INVESTMENTS

Cash and investments as of December 31, 2020, are classified in the accompanying financial statements as follows:

Statement of Net Position:

Cash and Investments	\$ 11
Cash and Investments - Restricted	<u>22,314,709</u>
Total Cash and Investments	<u><u>\$ 22,314,720</u></u>

Cash and investments as of December 31, 2020, consist of the following:

Deposits with Financial Institutions	\$ 11
Investments	<u>22,314,709</u>
Total Cash and Investments	<u><u>\$ 22,314,720</u></u>

Deposits with Financial Institutions

The Colorado Public Deposit Protection Act (PDPA) requires that all units of local government deposit cash in eligible public depositories. Eligibility is determined by state regulators. Amounts on deposit in excess of federal insurance levels must be collateralized. The eligible collateral is determined by the PDPA. PDPA allows the institution to create a single collateral pool for all public funds. The pool for all the uninsured public deposits as a group is to be maintained by another institution or held in trust. The market value of the collateral must be at least 102% of the aggregate uninsured deposits.

The State Commissioners for banks and financial services are required by statute to monitor the naming of eligible depositories and reporting of the uninsured deposits and assets maintained in the collateral pools.

At December 31, 2020, the District's cash deposits had a bank balance and a carrying balance of \$11.

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 3 CASH AND INVESTMENTS (CONTINUED)

Investments

The District has adopted a formal investment policy whereby the District follows state statutes regarding investments.

The District generally limits its concentration of investments to those noted with an asterisk (*) below, which are believed to have minimal credit risk, minimal interest rate risk and no foreign currency risk. Additionally, the District is not subject to concentration risk or investment custodial risk disclosure requirements for investments that are in the possession of another party.

Colorado Revised Statutes limit investment maturities to five years or less unless formally approved by the Board of Directors, such actions are generally associated with a debt service reserve or sinking fund requirements.

Colorado statutes specify investment instruments meeting defined rating and risk criteria in which local governments may invest which include:

- . Obligations of the United States, certain U.S. government agency securities, and securities of the World Bank
- . General obligation and revenue bonds of U.S. local government entities
- . Certain certificates of participation
- . Certain securities lending agreements

As of December 31, 2020, the District had the following investments:

<u>Investment</u>	<u>Maturity</u>	<u>Amount</u>
Colorado Surplus Asset Fund Trust (CSAFE)	Weighted-Average Under 60 Days	\$ 3,175
Colorado Local Government Liquid Asset Trust (COLOTRUST)	Weighted-Average Under 60 Days	22,311,534
		<u>\$ 22,314,709</u>

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 3 CASH AND INVESTMENTS (CONTINUED)

CSAFE

The District invested in the Colorado Surplus Asset Fund Trust (CSAFE) (the Trust), which is an investment vehicle established by state statute for local government entities to pool surplus assets. The State Securities Commissioner administers and enforces all state statutes governing the Trust. The Trust is similar to a money market fund, with each share valued at \$1.00. CSAFE may invest in U.S. Treasury securities, repurchase agreements collateralized by U.S. Treasury securities, certain money market funds, and highest rated commercial paper. A designated custodial bank serves as custodian for CSAFE's portfolio pursuant to a custodian agreement. The custodian acts as safekeeping agent for CSAFE's investment portfolio and provides services as the depository in connection with direct investments and withdrawals. The custodian's internal records segregate investments owned by CSAFE. CSAFE is rated AAAM by Standard & Poor's. CSAFE records its investments at amortized cost and the District records its investments in CSAFE at net asset value as determined by amortized cost. There are no unfunded commitments, the redemption frequency is daily, and there is no redemption notice period.

COLOTRUST

The District invested in the Colorado Local Government Liquid Asset Trust (COLOTRUST) (the Trust), an investment vehicle established for local government entities in Colorado to pool surplus funds. The State Securities Commissioner administers and enforces all State statutes governing the Trust. The Trust operates similarly to a money market fund and each share is equal in value to \$1.00. The Trust offers shares in two portfolios, COLOTRUST PRIME and COLOTRUST PLUS+. Both portfolios may invest in U.S. Treasury securities and repurchase agreements collateralized by U.S. Treasury securities. COLOTRUST PLUS+ may also invest in certain obligations of U.S. government agencies, highest rated commercial paper and any security allowed under CRS 24-75-601. A designated custodial bank serves as custodian for the Trust's portfolios pursuant to a custodian agreement. The custodian acts as safekeeping agent for the Trust's investment portfolios and provides services as the depository in connection with direct investments and withdrawals. The custodian's internal records segregate investments owned by the Trust. COLOTRUST is rated AAAM by Standard & Poor's. COLOTRUST records its investments at fair value and the District records its investment in COLOTRUST at net asset value as determined by fair value. There are no unfunded commitments, the redemption frequency is daily and there is no redemption notice period.

Total	<u>\$ 87,182,373</u>	<u>\$ 1,946</u>	<u>\$ -</u>	<u>\$ 87,184,319</u>	<u>\$ -</u>

The details of the District's long-term obligations are as follows:

Limited General Obligation Refunding and Improvement Bonds, Series 2018

On April 12, 2018, the District issued \$87,135,000 of Limited Tax General Obligation Refunding and Improvement Bonds, Series 2018 (the 2018 Bonds). The proceeds from the sale of the 2018 Bonds, combined with available funds of the Districts, were used to: (i) fund public improvements related to the development of property in the District and Colorado International Center Metropolitan District No. 13 (CIC 13); (ii) fund capitalized interest on the 2018 Bonds; (iii) refund amounts outstanding under the Tax Free Loan, Series 2015; (iv) fund a portion of the Surplus Fund; and, (v) pay the costs of issuing the Bonds.

The 2018 Bonds bear interest at rates of 5.625% (\$3,395,000, maturing on December 1, 2032) and 5.875% (\$83,740,000, maturing on December 1, 2046), and are payable semi-annually on June 1 and December 1, beginning on June 1, 2018. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2023. The 2018 Bonds fully mature on December 1, 2046.

Pursuant to the Indenture, the 2018 Bonds are secured by and payable from pledged revenue, net of any costs of collection, which includes: (1) all Property Tax Revenues derived from the District's imposition of the Required Mill Levy and the Regional Mill Levy; (2) all Capital Fees which include the Facilities Fees; (3) all Specific Ownership Taxes received as a result of the imposition of the Required Mill Levy and the Regional Mill Levy; (4) all PILOT Revenues; and (5) any other legally available moneys which the District determines, in its absolute discretion, to credit to the Bond Fund (Pledged Revenue).

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 4 LONG-TERM OBLIGATIONS (CONTINUED)

Limited General Obligation Refunding and Improvement Bonds, Series 2018 (Continued)

Pursuant to the FFCOA, the District and CIC 13 entered into a Capital Pledge Agreement dated April 12, 2018 (Pledge Agreement). Pursuant to the Pledge Agreement, the 2018 Bonds are also secured by and payable from CIC 13 pledged revenue, net any costs of collection, which includes: (1) all CIC 13 Property Tax Revenues derived from CIC 13's imposition of the Required Mill Levy and the Regional Mill Levy; (2) all CIC 13 Capital Fees which includes the Facilities Fees; (3) all CIC 13 Specific Ownership Taxes received as a result of the imposition of the CIC 13 Required Mill Levy and the CIC 13 Regional Mill Levy; (4) all CIC 13 PILOT Revenues; and (5) any other legally available moneys which CIC 13 determines, in its absolute discretion, to credit to the Bond Fund (CIC 13 Pledged Revenue).

Pursuant to the Pledge Agreement, CIC 13 has covenanted to impose a Required Mill Levy of 50.000 mills (subject to adjustment) and a Regional Mill Levy of 15.000 mills (subject to adjustment). The Pledge Agreement defines CIC 13 Property Tax Revenues as, generally, all moneys derived from imposition by CIC 13 of the CIC 13 Required Mill Levy and the CIC 13 Regional Mill Levy.

Amounts on deposit in the Surplus Fund also secure payment of the 2018 Bonds. The Surplus Fund was funded from bond proceeds in the amount of \$8,713,500, from available funds of the Districts, and from the Pledged Revenue and CIC 13 Pledged Revenue up to the Maximum Surplus Amount. The Maximum Surplus Amount means: (a) prior to the Partial Release Test Satisfaction Date, the amount of \$17,427,000; and (b) after the Partial Release Test Satisfaction Date, the amount of \$8,713,500 (which is equal to the initial deposit to the Surplus Fund from bond proceeds). The Partial Release Test Satisfaction Date means the first date on which the Senior Debt to Assessed Ratio is 50% or less.

Pledged Revenue and CIC 13 Pledged Revenue that is not needed to pay debt service on the 2018 Bonds in any year will be deposited to and held in the Surplus Fund, up to the Maximum Surplus Amount. Pursuant to the Indenture, amounts on deposit in the Surplus Fund (if any) on the maturity date of the Bonds shall be applied to the payment of the Bonds. The availability of such amount shall be considered in calculating the Required Mill Levy and the Regional Mill Levy required to be imposed in December 2045. The Surplus Fund will be terminated upon the repayment of the 2018 Bonds and any excess moneys therein will be applied to any legal purpose of the District.

Developer Advances

On October 14, 2016, the District (along with the Management District and CIC 13 (the Districts)) entered into an Operations Funding and Reimbursement Agreement (New Agreement) with LNR CPI High Point, LLC (LNR). The Districts had entered into previous Operations and Funding Agreements dated March 22, 2007 and made effective December 1, 2006 (Prior Agreements). The New Agreement was entered into for the purpose of terminating the Prior Agreements, acknowledging all prior costs to the Districts for the payment of operations costs, and clarifying and consolidating all understandings and commitments between the Districts and LNR. The Districts have acknowledged that LNR has made advances to the District since 2006 through the date of the New Agreement, and that LNR will continue to advance funds to the Districts for operations costs on a periodic basis as needed. Simple interest on such advances shall accrue at the rate of 8% per annum. Repayment of advances will be from ad valorem taxes, fees, or other legally available revenues. Any mill levy certified by the District for the purpose of repaying advances shall not exceed 50 mills, less amounts needed for current administrative, operations and maintenance costs, and to service existing debt. The New Agreement is in effect until the earlier of repayment of advances or December 1, 2046. In July 2017, LNR sold its property in the District to ACM High Point VI LLC (ACM). The Operations and Capital Funding and Reimbursement Agreements with LNR were terminated and all reimbursement rights were assigned to ACM.

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 4 LONG-TERM OBLIGATIONS (CONTINUED)

Developer Advances (Continued)

ACM and the Management District entered into the Operations Funding and Reimbursement Agreement on July 20, 2017 for the purposes of acknowledging all prior advances made by LNR to the Districts, as assigned to ACM, and to provide for ACM's advancement of funds to the District for future operations costs of the District up to \$1,000,000 for the fiscal years 2017 through 2020. The payment obligation to pay ACM constitutes a multiple-fiscal year obligation of the District. Simple interest shall accrue on each developer advance, including the prior advances, at a rate of 8%. The District intends to repay from certain revenues including ad valorem taxes and fees. Any mill levy certified by the District for the purpose of repaying advances made shall not exceed the mill levy limitation in the Service Plan, and in any event, shall not exceed 50 mills. The term of this Agreement is in effect until the earlier of the repayment of the obligation or December 1, 2047.

ACM and the Management District entered into the Capital Funding and Reimbursement Agreement on July 20, 2017 for the purposes of acknowledging all prior advances made by LNR to the Districts, as assigned to ACM, and to provide for ACM's advancement of funds to the District for future capital costs of the District up to \$10,000,000 for the fiscal years 2017 through 2020. The payment obligation to pay ACM constitutes a multiple-fiscal year obligation of the District. Simple interest shall accrue on each developer advance, including the prior advances, at a rate of 8%. The District intends to repay from certain revenues including ad valorem taxes and fees. Any mill levy certified by the District for the purpose of repaying advances made shall not exceed the mill levy limitation in the Service Plan, and in any event, shall not exceed 50 mills. The term of this Agreement is in effect until the earlier of the repayment of the obligation or December 1, 2047.

At December 31, 2020, the outstanding amount due to ACM by the District was \$49,319, which includes \$25,058 of accrued interest.

NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 4 LONG-TERM OBLIGATIONS (CONTINUED)

Authorized Debt

On May 2, 2006, the District's electors authorized the incurrence of general obligation debt totalling \$1,530,400,000 in principle at an interest rate not to exceed 14%. On May 3, 2016, the District's electors authorized the incurrence of general obligation debt totalling \$2,615,000,000 in principle, at an interest rate not to exceed 18%. At December 31, 2020, the District has authorized but unissued indebtedness for the following purposes:

	Authorized May 2, 2006 Election	Authorized May 3, 2016 Election	Authorization Used 2010 Bonds	Authorization Used 2015 Loan	Authorization Used 2018 Bonds	Remaining at December 31, 2018

The District's Service Plan limits total debt issuance to \$157,800,000 for District Improvements and \$90,200,000 for Regional Improvements.

In the future, the District may issue a portion or all of the remaining authorized but unissued general obligation debt for purposes of providing public improvements to support development as it occurs within the District's service area; however, as of the date of this audit, the amount and timing of any debt issuances is not determinable.

NOTE 5 NET POSITION

The District has net position consisting of two components – restricted and unrestricted.

The restricted component of net position includes assets that are restricted for use either externally by creditors, grantors, contributors, or laws and regulations of other governments; or imposed by law through constitutional provisions or enabling legislation. The District had restricted net position of \$5,610,161 for debt service and \$564,814 for capital projects at December 31, 2020.

The District has a deficit in unrestricted net position. This deficit amount is a result of the District being responsible for the repayment of debt issued for public improvements, while the funds for construction of those improvements have been transferred to the Management District.

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 6 RELATED PARTIES

The property within the District is owned by and is being developed by ACM, which acquired the property from LNR CPI High Point LLC, a Colorado limited liability corporation, in July 2017. During 2020, a majority of the members of the Board of Directors were officers of, employees of, or associated with ACM. One board member is the owner of Silverbluff Companies, Inc., which provides construction management services to the Management District.

NOTE 7 AGREEMENTS

Facilities Funding, Construction and Operations Agreement (FFCOA)

On June 28, 2007 as amended on October 29, 2009, with an effective date of September 2, 2009, the District entered into a Facilities Funding, Construction, and Operations Agreement (FFCOA) with CIC 13 and the Management District. The Management District will own, operate, maintain, finance, and construct facilities benefiting all the Districts and the Taxing Districts will contribute to the costs of construction, operation, and maintenance of such facilities. Since all assessed valuation of property developed will be located in the Taxing Districts, the Taxing Districts will either use proceeds of general obligation bonds or pledge their ad valorem tax revenues to pay their obligations to the Management District.

Operations Financing Intergovernmental Agreement

On June 6, 2007, the District entered into an agreement with the other Denver High Point Districts and Gateway Regional Metropolitan District (Gateway). Under the agreement, the Denver High Point Districts agreed to participate in the operations and maintenance of certain public landscaping improvements in the medians along Tower Road between 56th Avenue and 72nd Avenue that had been previously installed by Gateway. The Denver High Point Districts' share of the operations and maintenance expenses is 17% of Gateway's budgeted operation and maintenance expenses, as adjusted for certain provisions. As provided under the FFCOA (see above), the Management District shall collect revenues from the other Denver High Point Districts and remit to Gateway the annual amount due in 12 equal installments. During 2020, \$10,868 was paid by the Management District to Gateway under this Agreement.

Denver High Point IGA

On April 12, 2018, Aurora High Point at DIA Metropolitan District (AHP) entered into a Cost Sharing and Reimbursement Agreement (the Denver High Point IGA) with Denver High Point at DIA Metropolitan District (DHP) (also referred to as the Management District). DHP functions as the management district for the Denver High Point Districts and is responsible for coordinating and managing the financing, acquisition, construction, completion, and operation and maintenance of all public infrastructure and services within the portion of High Point in Denver.

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 7 AGREEMENTS (CONTINUED)

Denver High Point IGA (Continued)

Construction of certain regional improvements funded by AHP and DHP benefitted property owners and taxpayers in both the Aurora and Denver portions of High Point; however, the parties have determined that such costs should be re-distributed based on an engineer's recommendation of benefit provided and, as a result, the parties entered into the Denver High Point IGA to, among other things, re-allocate such costs between the two districts (assigning 56.18% of such costs to DHP and 43.83% to AHP). Accordingly, pursuant to the Denver High Point IGA, both AHP and DHP acknowledge that AHP is entitled to be reimbursed by DHP in the amount of \$10,021,145 for various capital expenditures the District previously made and which the Board of Directors of DHP has determined conferred a benefit to one or more of the Denver High Point Districts. DHP has received an engineer's certification to verify the allocated amount owed to the District for the improvements constructed. AHP was reimbursed in the amount of \$10,021,145 using proceeds of the District's 2018 Bonds.

On May 7, 2018, the Denver High Point IGA was amended to include Colorado International Center Metropolitan District No. 4 (CIC No. 4), a taxing district to AHP, as a party to the Denver High Point IGA; to recognize certain improvements that CIC No. 4 constructed as Regional Facilities under the Denver High Point IGA; to reallocate costs associated with the construction of such improvements as part of the total reallocation under the Denver High Point IGA; and to recognize that AHP is entitled to an additional reimbursement to further reconcile DHP's proportionate share of the re-allocated costs. Accordingly, the reimbursement amount was reallocated and increased from \$10,021,145 to \$22,399,717, which additional amount of \$12,378,572 was also paid to AHP using proceeds of the District's 2018 Bonds.

NOTE 8 INTERFUND TRANSFERS

The transfer of \$567,532 from the Capital Projects Fund - Regional to the Debt Service Fund was made in accordance with terms of the Series 2018 bond issue.

NOTE 9 RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; thefts of, damage to, or destruction of assets; errors or omissions; injuries to employees; or acts of God.

The District is a member of the Colorado Special Districts Property and Liability Pool (Pool). The Pool is an organization created by intergovernmental agreement to provide property, liability, public officials' liability, boiler and machinery and workers compensation coverage to its members. Settled claims have not exceeded this coverage in any of the past three fiscal years.

COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 14
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 9 RISK MANAGEMENT (CONTINUED)

The District pays annual premiums to the Pool for liability, property and public officials' liability coverage. In the event aggregated losses incurred by the Pool exceed amounts recoverable from reinsurance contracts and funds accumulated by the Pool, the Pool may require additional contributions from the Pool members. Any excess funds which the Pool determines are not needed for purposes of the Pool may be returned to the members pursuant to a distribution formula.

NOTE 10 TAX, SPENDING, AND DEBT LIMITATIONS

Article X, Section 20 of the Colorado Constitution, commonly known as the Taxpayer's Bill of Rights (TABOR), contains tax, spending, revenue and debt limitations that apply to the state of Colorado and all local governments.

Spending and revenue limits are determined based on the prior year's Fiscal Year Spending adjusted for allowable increases based upon inflation and local growth. Fiscal Year Spending is generally defined as expenditures plus reserve increases with certain exceptions. Revenue in excess of the Fiscal Year Spending limit must be refunded unless the voters approve retention of such revenue.

On May 2, 2006 and again on May 3, 2016, a majority of the District's electors authorized the District to collect and spend or retain ad valorem taxes of up to \$10,000,000 annually for operations and maintenance expenses of the District without regard to any limitations imposed by TABOR beginning in 2007. Additionally, the District electors authorized the District to collect, retain and spend all revenue without regard to limitation under TABOR in 2007 and all subsequent years.

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of Fiscal Year Spending (excluding bonded debt service). Local governments are not allowed to use the emergency reserves to compensate for economic conditions, revenue shortfalls, or salary or benefit increases. The District transfers all its operating revenues to the Management District, as provided for in the FFCOA. Therefore, the Emergency Reserve related to the District's revenue stream is captured in the Management District.

The District's management believes it is in compliance with the provisions of TABOR. However, TABOR is complex and subject to interpretation. Many of the provisions, including the interpretation of how to calculate Fiscal Year Spending limits will require judicial interpretation.
